Matted/Plastic-Wrapped Prints

All of my "roadside" subjects are available in a 9" x 12" off-white, museum-quality mat with a bold French line around the opening. You may, however, request a red, blue, wine, green, black or yellow mat (I strongly recommend white mat if you're amassing a collection.). Each print is titled, geographically-identified, and signed by the artist. Shipping is included in the \$20.00 price. These can be ordered by using this form and mailing it to me with your payment.

As indicated by the "+" symbols on the Diner List, a few images are also available in larger 12" x 16" or 10" x 20" mats. These appear in the above mat colors and are affordable at \$30 each, shipping included. **Call me** for further clarification at 802-254-6192. I will also discuss framing alternatives should you wish.
